

The Brushmark

The Premier North County Coastal Art League & Gallery

July 2019

July President's Remarks: Our newly "upgraded" Gallery lighting thanks Scott Bruckner, enhances our June display of the First Annual David Schlegel Abstract SIS winner, "Metallica", by Mary Anne Nilsson.

Congratulations. Our Best-of-Show, winner Julie Bradbury-Bennett, with her oil-acrylic work, "Oranges" is to be congratulated as well.

We are looking forward to our August Annual Open Show with super judges Joe Garcia, www.joegarcia.com, and Steve Kell, www.stevekell.com. This is our first use of

www.OnLineJuried Shows.com to receive our participants' images digitally. We recognize that some artists are much more familiar with "digital submission", but it is our hope that since we presented a couple of seminars on the subject, those needing assistance will look to others for help. With that in mind, please support us in our effort to make the COAL Gallery experience a great place to display your art.

With special kudos to Diane Adams, in July, the Gallery is continuing the tradition of hosting the display of the art of our High School Scholarship Winners. We also have Janet Lee as our Featured Artist. So, please plan to attend the Gallery Reception, July 14th, to celebrate our wonderful art.

COAL has a full calendar of events through the end of the year, and we greatly appreciate your support and attendance. Congratulations to all our winners, Charles Dozer

July 2019 Remarks by Gallery Director, Gertrude Schlegel

This month was the first David R. Schlegel "Abstract SIS" and I was very moved by the

number of wonderful entries. The judge, Richard Hawk mentioned this was an outstanding show and he had a difficult time picking the award winners. Thank you everyone who entered the show, and congratulations to the 1st place winner "Metallica" by Mary Anne Nilsson, 2nd, place winner "Fearless" by Connie Gibboney and 3rd place winner "Haywire" by Patti Slattery. Please stop by the gallery, if you haven't seen this month's show.

The question came up recently where checks should be left for early take-in. Please tape envelope with form and check to each entry, and be sure each entry has ID on back in case envelope gets detached. Regarding re-entry of previous month's art, the envelope with form and check can be left in left top drawer of desk.

It is important for me to stay true to my first impressions and reaction toward the subject and to use expressive brush strokes, strong design, composition and color harmony as tools to capture the essence of my subject.

I was born in South Africa and currently reside in Southern California; both places continue to inspire and influence me as an artist. I love to paint people, nature scenes and stories of everyday life that we often take for granted.

Wherever I am, whether walking on a local beach or traveling internationally, I am always looking for that perfect moment in time as subject matter to capture in my paintings.

Africa is in my soul. I am driven to capture the moving scenes of children, many orphaned and abandoned due to the HIV-AIDS crisis. This has led me to use my art as a fundraising tool for various organizations including Acres of Love which provides homes for these children.

I have had the privilege of attending many workshops by world renowned artists and have studied under the mentorship of Chinese Master Painter, Jove Wang. This has resulted in winning numerous awards and being juried into many national and international art shows.
