Gallery**

May 2019

President's Remarks for May 2019:

I want to personally thank the Members who displayed in the April Show including "Best of Show" winner, Mary Anne Nilsson-Bloom with her Pastel, "Spring in Santa Barbara", the Ribbon Winners and the SIS 1st Prize to Ron Brewer for

his "Juniper Sunrise" and other ribbon winners !

Congratulations and the Best from COAL!

Personally speaking now, I would like to let you know what we have in store for 2019. As in any voluntary organization, we have "needs" from member participation, to financial needs, to overall communication and just plain input for our continued

success. For a number of months we have asked for members to fill a number of "jobs" described in our By-laws. No one wants to do another "job". ... I get that.

I can say, many of our members are committed to COAL and have a lot of already committed time in their very wonderful lives. So, I'm NOT asking if you can fill a major "job description", but would like to know if you can give COAL just a couple of hours during the month to provide assistance for things we need to do. We need a person who is very MS EXCEL Spreadsheet (pivot-point) savvy to give us a hand in re-configuring our computer data management.

All-in-all, assistance for those who do the major oversight would be greatly appreciated. Please contact me, or Gertrude, or any Director with your availability to help with our needs. We're coming into our tourist season and your continued participation and Gallery hosting is greatly appreciated. Best to you and please let me know of your ideas and concerns in being a member of COAL. Charles Dozer

### May Remarks from Gertrude Lewis-Schlegel, COAL Gallery Director

Welcome to all our many new members. We look forward to you making this an active part of your art life. We have a reception each month for the opening of the monthly show and it is a great time to see the

show and meet other members.

Thanks to all who volunteered to make the Black-and-White Show a success.

On Sunday, May 5, is the Carlsbad Street Faire, and COAL Gallery will have a booth. We are in need of volunteers to attend the booth that day. Please sign up or call the Gallery for information on how you can participate.

When we keep our gallery doors open, there is more of a chance your art could be sold. We are now open Friday and Saturday evenings from 5 pm to 8 pm. Remember this when you sign up for your hosting time. Gertrude
