

The Premier North Coastal Art Gallery 2020 !

The North Coastal Art Gallery and Scheduling Changes!

Dear Members: Please take note of the following scheduling changes for shows and activities for Members of the Carlsbad-Oceanside Art League. With the Board support, we are canceling our April Show and keeping the Gallery closed for the month of April. Since we know the names and pieces of art

submitted for Our Members show in March, we have a listing along with the number of pieces, and will be extending those members 1/2 credit per piece submitted. We are Targeting re-opening for business in May. Members who submitted in March and therefore have 1/2 credit for the numbers submitted, will be able to submit an equivalent number in May. It does not have to be the same art! If you wish to submit additional pieces in May you may do so according to our guidelines, but the full fee would apply to those. We are also rescheduling our "Black & White SIS" to May, and those pieces would be at the scheduled prices. We offer "cash awards" so our expenses in this offering need to be separate.

At this point we have not heard about the Carlsbad "Street Faire" so no decision on that as yet. CD

A Personal note: Many members renewed for 2020 at the regular price and that is greatly appreciated. Many of you might be wondering about renewing at the pro-rated amount for the duration of the year. I understand that, no question! It would be quite helpful if you consider the full annual amount considering recent challenging events. I will commit also that by pro-rating you will receive our full support as in the past. Chuck Dozer, President, Carlsbad-Oceanside Art League
