Born, raised and classically trained in China, Shuang Li received her BA Degree in Graphic Design and Master Degree in Art History. After moving to the United States, Shuang Li received her MFA (Master of Fine Art) Degree from The Department of Art, University of Oregon in 1991.

Following the traditional "En Plein Air" Impressionism approach, Shuang paints watercolor both on locations and in her studio, portrays the extraordinary variety of life with her unique perspective. With masterful classic and contemporary techniques, Shuang recreates nature's beauty in her paintings by capturing moods and moments of light and color with her singular poetic expression.

NOTE TO GALLERY HOSTS

Beginning July 27, 2020, access to the restrooms will change from a key access to a four-digit code(which will periodically change). There will be a "tent" on the desk with the codes, AND the "red/blue" key fobs will have the appropriate codes updated and taped to them and be kept in the same desk drawer.
