Notes and Reminder

We are encouraging members to fill-out their Entry forms on-line as they are easier to read by our computer personnel to produce Gallery cards.

There is a new "hot", auto-fill form available on our website that makes it even easier to complete.

Note: the "Computer Art" category has been deleted, less

confusing for entries.

Our take-in hours are shorter, and we are now accommodating Early take-in on the preceding Saturday and Sunday WITH appropriate paperwork, host date on the calendar at the front desk, and Check.

(NEW) We also ask that you fill-out the Take-in list that is located on the cork-board on the wall immediately to your left as you enter the back room, with your name, current date, and number of pieces you are entering.

Membership

Hello everyone, and thanks for your past, or current membership in the COAL. It is an understatement, but this has been a devastating year for many small

businesses, and a tremendous hardship on all of us. The virus has certainly taken a toll, even on those that have not suffered an infection to their loved ones. The COAL has managed to keep afloat with continued sales, once we reopened, and from many contributions from concerned members. It has been a difficult time, but we have been thankful to keep the doors open. At this writing, the Art Museums in San Diego County are closed, but the many art galleries remain open, including ours. Our overall membership this year is down by over 20% due to the virus' impact. We are now accepting renewals for 2021, and your continued membership would be very much appreciated. For our many lifetime members, we also would appreciate any contribution you may give, you continue to be the backbone of this organization. Our Board continues to work hard to mitigate our expenses, and our volunteers continue to give hours of their time without monetary compensation. Special thanks to Charles Dozer, and our gallery manager Gertrude Lewis. And thank you to all of you that continue to show at the gallery, your involvement is an example to other aspiring artists, and helps to keep the doors open. Scott Bruckner, Membership Director

NOTE TO GALLERY HOSTS

Beginning July 27, 2020, access to the restrooms will change from a key access to a four-digit code(which will periodically change). There will be a "tent" on the desk with the codes, AND the "red/blue" key fobs will have the appropriate codes updated and taped to them and be kept in the same desk drawer.
