

The Premier North Coastal Art Gallery 2020 !

CONGRATULATIONS

President's Holiday Remarks: Congratulations to our December Best-of-Show, "Caretaker Sadness", a water

media piece by Bob Hernandez! Additional kudos to our other Member winners that make-up a wonderfully professional display. This brings me to my main point in writing these remarks. This particularly trying year for COAL and the North Coastal Art Gallery, has had sustained success because of YOU, its Members, who have contributed your memberships, your participation, and support throughout the dis-jointed year 2020. We continue ongoing functions such as “Take-in”, Judge/Demo schedule, and yes, training new Members. Fortunately, we have had NEW Members! We also have had a level of very good sales that IF we had a complete year would have been very noteworthy. As it is, our nine months are impressive indeed. As we look forward to 2021, our 21st year at the Village Faire, by the way, we already have Judges scheduled, Featured Artists scheduled, and “Member’s Show” and “Open Show” events already calendared. Alas, at this point, no receptions. We are in business! We hope you will see your way to renew your membership, participate in our events, and volunteer even in these difficult times to assist in our service to our community. As President, I am able to nominate a “Volunteer of the Year”. I am naming two Members, Karen Crowell who has steadfastly organized our Take-in Crews and is overseeing our “on-line juried show”, our Open Show. In addition, Nancy Klaphaak,

who has had to sort through would-be judges, who because of COVID-19, just wouldn't do remote endeavors. These nominees, along with the Take-in Crews and Display team have been instrumental in keeping the Gallery open. Merry Christmas and Happy Holidays to All! Chuck

2020 COAL DECEMBER GUIDLINES

Dear Members of Carlsbad-Oceanside Art League: We will continue to operate according to the COVID-19 Guidelines established by the Governor. Take-in is on Monday as usual, 10AM-2PM. Please take advantage of early take-in on Saturday and Sunday during regular hours. For your convenience we already have a table ready in the rear of the Gallery. Stricter Guidelines require that Take-in crews and hosts MUST wear masks that cover nose and mouth, and, especially when handling art, wear gloves. Of course, sanitizing the immediate desk area is essential especially prior to welcoming a replacement. Monday Take-in. We will be open as stated, and art will be handled using gloves. Thank you for your support as we comply with current Guidelines. Chuck
