Hello All: Just a couple of remarks. For our " Re-opening" we have 132 images on display. A really nice "Re-opening". Thanks to our Members support, and we look forward to a better showing in August! However, we had fewer artists to accommodate the longer time for the display. Therefore we have significant openings, 34!, as the list below indicates. We are therefore asking for members to get in touch with Gertrude to help us schedule "hosting"

during these crucial times. (Already sales have been made!) But if we don't have "hosts" the Gallery may not be open. Your volunteering is greatly appreciated. Best to all, Chuck Dozer
