

CALLING ALL MEMBERS!

The Carlsbad Oceanside Art League* is looking for a strong candidate to serve as our new League President. We need your help.

After six years of service, our current President Charles Dozer is retiring at the end of this calendar year. The COAL has been very fortunate to have Charles guide our organization through what has been a tough period, dealing with the imposed closure from Covid and the Gallery closure this past summer due to a fire in the restaurant above the Gallery and the subsequent flooding of the Gallery.

At the December Annual Members' meeting, the position of President will be considered and voted on. We hope to have a strong candidate, or more, for consideration. The President's main role is to be the face of the organization, and to recruit people for the various committees and other Director positions.

The League calls on you to get involved with our organization. Any help in recruiting someone would be greatly appreciated. Remember, YOU are COAL, without your help things won't get done. If you are interested in serving as the COAL's new President, or if

you know someone who might be interested, please contact the Ad-Hoc Committee listed below.

For more information, or to volunteer, please call:

Scott Bruckner: 805-404-1069

Gertrude Lewis: 818-421-7760

Mercedes Martin: 202-957-3625

Karen Crowell: 760-519-5047

*The Carlsbad-Oceanside Art League (COAL) was established in 1951 as a 501c3 nonprofit organization and has been successfully operating for seventy years. As a nonprofit, the League's Officers and Chairs of its Standing Committees make up the Board of Directors that lead the organization. In addition to the Board, the COAL depends on ALL of its Members to participate and volunteer in the operation of its Gallery -- the North Coastal Art Gallery. The Gallery has been in its current location for over twenty years and is fortunate to have excellent walk-in traffic, healthy sales, and a completely remodeled new look. As part of our mission, the League promotes art education and the cultural appreciation of fine art in the community. The League supports, as funding allows, art demonstrations, student scholarships, outdoor displays, exhibitions, commercial displays, miscellaneous cultural tours, and a main gallery.
