November 14th, Sunday - Reception Sunday 3-5

## **PRESIDENT'S REMARKS**

Congratulations to our Best-of-Show Winner, Si Osgrove, for his Oil/Acrylic work, “Impressions of Yosemite”, as presented by our Judge, Wanda Honeycutt. Diane Adams was awarded First Place in the “Water”, Show-in-Show, Suzie Conours 2nd, and Gitta Pfahl, 3rd, in the display covering the Gallery North Wall. We send our Best to all the ribbon winners and to all who chose to display in this month’s show.

Remember that next month, and in December, we are highlighting “Small Items” in Show-in-show. That specialty Show-in-show is for images that are 14” or less on the longest side, including frame, if framed. If

unframed on canvas, the edges must be “finished”, priced at a minimum of \$50.00!

The Board has decided that the annual dues for 2022 and Take-in fees will stay the same! New Member and Renewal Apps are available at the Gallery, soon on-line, for completion. In addition the 2022 Calendar with events and specials is ready as well.

For several years we have been desirous of additional lighting in our Gallery patio. Nine new strings of lights have been installed which really enhance our entry. It also provides a much safer environment during the early evening-and it's pretty! More positive changes are also being considered in the patio area.

Save the Date: The League's Annual Meeting will be held at the Gallery on Saturday, December 11th, 1-3PM light ho d'oeuvres (voluntary). A reminder that Officers for 2022 will be elected and several vacancies are needed to be filled, including President, Gallery Director, Director of Publicity, Director of Programs, and others not now known.

Your Gallery is “New”, our programs are in place into next year, and Gallery sales have been strong. We need your continued and increased monthly Take-in support to sustain our recovery. Halloween Greetings, Chuck

PS: COAL is a 501(c) (3) tax-exempt Corporation and as such we accept donations throughout the year. Please consider COAL in your planned giving donations. CD

### **GALLERY DIRECTOR'S REMARK**

October's show is outstanding with the "Water" SIS, Best in Show, and Featured Artist display. Tried to get by the gallery to see it.

On the north wall for November and December will be Show In Show (SIS) "Small Image." This is a great show to enter as the small items sell really well for the

holidays. Did you know our sales have tripled in the last few months? Don't forget to send your friends and family to the galley for their holiday shopping.

The Christmas tree will go up next month. Carolyn Robinson has volunteered to care for this holiday display. Bring in your tree decorations on Monday, November 1 during take-in. Please be sure your hand-made decorations are artistic, creative, and beautiful.

If you haven't been coming to the Gallery Reception each month, we would love to see you there every month, but, be sure to attend the one on December 11 from 1 to 3 pm. That is our annual meeting. Bring wine and/or hors d'oeuvres and get up to date with what going on as officers will be voted on and elected at that time. We have vacancies that need to be filled, so please let us know if you are able to help out in volunteering in any way.

See you at the Gallery.

Our November artist for the Regular Show and "Small Items" Show-in-Show, is Toni Williams. She is a well-known Oil/Acrylic artist and had been with us before.

## **2021 COAL MEMBERSHIP**

My personal thanks to all of you that have retained your membership through these tough times. We have

certainly been through a lot. Our Gallery was forced to close when we encountered significant damage to the gallery from a fire above on July 3rd. Our President did a fantastic job coordinating repairs so that we could reopen in September with our Open Show.

In June, before our untimely closing, we had an all time record month for sales in the gallery. Now that we have reopened, we are continuing to break records in sales numbers with the continued activity in the Village. People are definitely out, and buying original art.

And finally, it is that time of the year to consider renewing your membership. The Gallery will not be raising our membership dues again this year. We encourage you to renew and take advantage of this wonderful time showing your work in the totally refurbished North Coastal Art Gallery.
