

COAL SPECIAL BULLETIN

We are saddened to announce that after 8 years as President (in two non consecutive terms), Charles Dozer has made the decision to retire as president of the Carlsbad Oceanside Art League, effective at the Annual Meeting in December. We have a tremendous debt of gratitude for him being at the helm during these unprecedented times. Not only did he deal with the Covid demands on our small group, but he also steered the ship through a disastrous water loss, requiring the gallery to be closed for two months.

We now have two and a half months to find a replacement. There are no candidates on our current Board, and therefore we are broadening the net to find the right individual to lead us forward.

The new President will be inheriting a brand new completely refurbished gallery that continues to see an incredible high volume of foot traffic, and record breaking sales. As the Membership Director, I have formed an ad hoc committee to look for a new leader. If you would like to be a part of this group, please contact me.

We are looking for any feedback, or leads, that may help us in our search. Please feel free to contact me on my cell phone provided below. There are many art organizations in the North County, and we will be reaching out to them as well.

Thank you so much for being part of COAL, showing our work at the North Coastal Art Gallery.
