WATER DAMAGE AT THE GALLERY

PLEASE READ:

Member-Artists and Friends of COAL: Earlier this morning there was an electrical fire in the Compass Restaurant suite above the Gallery. The sprinkler system went on, the Fire Department was called and our Gallery suffered a major gushing of water from above. Many thanks to several Members who were in attendance at the Gallery, and quickly removed the displayed artwork and took it outside into the patio with minimal damage! Good news. The Gallery sustained major water damage to the

ceiling, floor, as well as the walls, and we estimate that we will be closed for three months.

At this point, we are closed July, August and September, and for various reasons have cancelled our OPEN SHOW! (Reschedule possible, still discussing)

We wish to thank our own “Quick-response” team many of whom worked well into the afternoon: Gertrude Lewis, Scott Bruckner, Abbey Chamberlain, Tom Smith, Marianne and Chuck Dozer, Carmen Saunders, Mercedes Martin, Linda DiRosa, and several others along the way.

Updates and better information will be updated in the weeks to come regarding our Gallery-related activities.
Happy 4th to all, Chuck
