PRESIDENT'S REMARKS

President's Remarks: The North-Coastal Art Gallery, operated by the Carlsbad-Oceanside Art League has been closed since July 3, 2020, as a result of water damage to our walls coming down from the fire-suppression system

in the Compass Restaurant in the Suite above. There were a couple of Members at the Gallery who assisted getting art out quickly. Thank you to the Members who came quickly to remove their art. Our Gallery walls will be resurfaced & recovered, our floor replaced, as well as the ceiling tiles. A whole new look when completed!

When will all this happen? Firm dates will be forthcoming, We anticipate Open-Show ready condition for display in September. Entry is on-line at: onlinejuriedshows.com. Go to our logo and register. Deadline is August 10th, midnight. Enter sooner rather than later, because IF you have questions you may call Karen Crowell or Scott Bruckner for assistance.

We would like Members to be aware that The Fallbrook Art Association is making itself available for our Members to display their art without becoming Members. Take-in is like ours, you will need to be trained, and host. For additional information please go to their website at: fallbrookartassociation.org.

Please also be aware we have a space at the Carlsbad Street Faire on Sunday July 25th. We will have our tent and Members who would like to show several pieces (for sale) and help with the booth should call Chuck Dozer, 760-753-4784.
