PRESIDENT'S REMARKS

Dear Members,

I am pleased to be brought in as your President for the COAL. I have some pretty large shoes to fill, and under Charles's guidance, you have him to thank all for keeping the COAL together during trying times. His dedication to you as Members, and the COAL, goes without saying, and is much appreciated!

I have had the pleasure of previously knowing many of you from various organizations, and I look forward to meeting each of you to share your thoughts or questions. As we move into 2022 together, we have much to be

thankful for, and we will succeed in building and strengthening relationships not only with our peers, but with the public as well. We are looking forward to bringing our outreach projects back online, and entertaining more activities among the Members and the public at large. Members are the heart and soul of this organization, and without you we would not be the organization we are today. For those that did not attend the Members Annual Meeting, a summary of our Year-to-date Financials were disclosed in detail. Should you have questions please contact our Treasurer, Mercedes Martin.

Imagine, the COAL has been in existence since 1951, and as each year has passed, we have grown, and will continue to evolve as time passes. This year, the Board has quite a full plate of organizational tasks to complete in bringing us forward into 2022, that will require some revision, but we need your help and assistance, so we can achieve that goal. For starters, we are in need of dedicated volunteers to fill several key positions as Vice President, Gallery Assistant, and Publicity, as well as others. The key positions will assist those currently carrying extensive duties. Please consider any of these positions, as we will extend an open hand in nurturing you in those relationships. We would appreciate hearing from you. You can contact me at ngagpresident@gmail.com and I will direct your questions.

So, as we begin anew, the BOARD wishes you a prosperous new year filled with continued success.

Respectfully,
Cheryl Ehlers, President

GALLERY DIRECTOR'S REMARK

Happy New Year to everyone. We start off 2022 with a new President Cheryl Ehlers and say “thank you and job well done,” to Charles Dozer. We have a busy year ahead of us while we still fight Covid and deal with the mask mandate. Thank you all for your cooperation and wearing of masks while hosting the gallery.

As early take-in has increased in popularity, we must enforce our rules as we do not have the number of volunteers needed to help with moving the art out of the

back room, checking the take-in form for accuracy, checking art against the check-in sheet, etc. If you have a one-time need or permanent need for early take-in, please contact me for approval.

And remember, the morning host calls the next day hosts as a friendly reminder they are hosting the next day. Many members tell me they appreciate this reminder call. Also, all sales are to be logged into the Sales Log Book and the artist called to tell them a pack of cards, or a shrink wrap or their wall art has sold. Our sales are great and continue to exceed all previous years.

Welcome to all the new members, and I look forward to helping you with any questions you may have regarding the gallery operations.
