## **PRESIDENT'S REMARKS**

Our Open Show Art is on display at the Gallery and it is wonderful! Many personal thanks to ALL the artists who submitted their work and congratulations to those who

were juried-in. Our two judges, Shuang Li and John Cosby did a fine job and selected Brian Belfield's oil acrylic piece, "Wild Trees" for Best of Show honors. Congratulations to Brian and all the ribbon awardees among the 177 pieces on display.

Throughout the 60 days we were closed, there were many Members who supported our return to being open and we thank them all! Of special note are Karen Crowell and Mary Lou Owen who kept us on track to have the Open Show processed and on time. Our "baffle"-painters, Scott Bruckner, Ann Hurd, Gertrude Schlegel and Lois Athern did a super job. Scott also painted the back shutter doors! Donations were made to buy all new desk furniture! We are looking very modern!

We are now looking forward to a full Fall schedule and participation of our Members to that effort. Members, please be aware that our 2021 Directories are now available and may be picked up at the Gallery. Make sure you sign for your copy. It is also time for Members to update your Bios, free, in the Gallery Binder and now you have two pages available, one for your personal information and one for images of your work.

Let's not forget we are a tax-exempt organization and the reason is that we support High School Art with scholarships for students that enter our judged show and are awarded monetary prizes. In 2021, we awarded

\$1800 to the winners. Please go to our website and click on Youth Projects to see our winners. This an annual event spear-headed by Diane Adams, a member since 1972! We appreciate her efforts to maintain this program!

**Take care and stay healthy, Chuck Dozer**

## **DIRECTOR'S MESSAGE**

Our doors are open with the Annual Open Juried Show, and Wow, what a show, and art is selling!! We must give thanks to our President, Charles Dozer, for an arduous job in getting the gallery open, and for Karen Crowell who skillfully had to work with so many last-minute changes in getting the Open Show finalized. Plus, we

can't forget the many members who stepped forward and cleaned, painted, moved art, and hung art, so we could open on time. We are getting so many compliments on a job well done by so many. If you haven't seen the show and our "new" gallery, be sure to stop by.

We will continue to have an early take-in table in the back of the gallery for those members who are unable to come into the gallery on Monday. Next take-in is Monday, October 3. The SIS theme is "Water." This is a popular show, so get your art ready.

November and December the SIS theme is "Small Image," and make great holiday gifts. This is art in all categories that measures no more than 14" on the longest size.
