PRESIDENT'S REMARKS

President's Remarks for September: We at the North Coastal Art Gallery have endured two months of being closed as a result of a fire in the Suite above, and the resultant water deluge that left significant pooling in our Suite. We are immanent to have a new floor installed, new wall-covering, new ceiling and basically a new look! We needed to reschedule our calendar and rebound to the business that was on the way to a record season if not year! We are on schedule to open in September with our re-scheduled Open Show for 2021! We are excited to have had 277 on-line entries and from them be able to display a high-quality show for our members and visitors.

We are looking forward for support of our Fall Calendar (attached) and to attract our current and new members to a refurbished Gallery to display their work. It is anticipated that recipients of this will share our

excitement with other artists, friends and neighbors during the next months, holidays and in years to come. We sincerely appreciate your support to help get us back up to our expectations! During this downtime, most of all, I wish to THANK in advance, a number of you for your on-going support to keep the focus on re-opening! Please join us at the Reception on September 12th, 3-5pm at the Gallery. Chuck
