

JUNE has arrived!!!

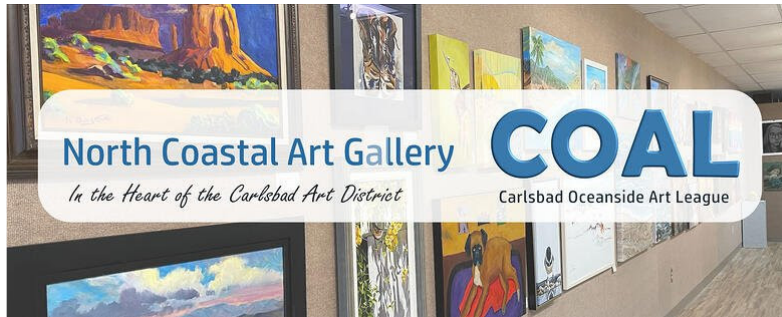

Our lives are not determined by what happens to us but by how we react to what happens, not by what life brings us but by the attitude we bring to life. - Wade Boggs

NOTE FROM PRESIDENT

In the past 5 months, with the assistance of so many dedicated members, I have observed the changes that albeit uncomfortable to some, have had a positive impact and garnered a majority of acceptance as we continue to improve our efforts. I personally, never forget that it is the membership that makes this organization, and your needs are not going unheard. Together the Board has been reviewing ways to bring new strength and awareness to the COAL and the Gallery on behalf of the artists, and we still have a long way to go. We appreciate all your input as we keep incorporating the possibilities of new approaches, and ideas to be more successful. Truth to be said, we are open to any fundraising ideas, any opportunities you might hear about, and welcome shared suggestions, as we continue to elevate our efforts to accomplish these goals before the end of the year. So feel free to jump in and let me hear from you, call or contact me at (760) 519-1551/ ncagpresident@gmail.com. Let's take advantage of every possibility we can grasp, so we can remain artists and share our talents. *Have a great day!*

- Cheryl Ehlers, President

Message From the Gallery

We have had some issues lately, which are extremely important to communicate, as it affects us all as artists. Please read through the items of concern.

- Hosts are forgetting to **place the artist's name on the sales receipts**. Therefore, we cannot pay you! It is an extremely important responsibility you have upon making a sale. We have directions in the sales manual, please refresh your memories.

- The **sales log** is not always being filled in, so we cannot reconcile the sales receipts. **Make certain you always call the artists** upon a sale.
- Please *only* **use the Membership List** we provide at the front desk. due to so many new members and changes. We will have a directory in the future.
- Hosts, **please remember to call the next day's shifts**. We have had some no-shows again, and if not excused, unfortunately, this practice reflects on our sales, which in turn keeps the gallery running. So, **if you are unable to host**, please plan ahead and find a substitute host. If for any reason you are a no-show, you are required to schedule a make-up date and pay \$35. The hosting list is in the desk manual and on the "Members Info" page on our website.
- We have had some issues with attitudes reflected within the gallery. Please remember "**Attitude is everything**", and negativity breeds a distasteful atmosphere amongst everyone. So please begin your "A" game to the gallery, we love it!
- Since we have been re-opened, the gallery has more demands on it than it did in the past. Times have changed and we need to change with them. We appreciate "all" that you do to help us out, and your consideration, as we remain to muddle through the details.

Thank you to all that have bounced with the flow and kept the gallery a great place for both the artists and the public to enjoy. ***Let's all dig in "together."***

Here is the Substitute Hosts Contact List

Accounting Procedures/Systems Have Changed Some

- All your checks are now being mailed via bank drafts.
- Sales summaries are not included in the bank draft, but we can provide you with a copy/guide sheet. Your artwork price should have included sales tax @ 7.775%, commission @ 20%, and the Credit card fee of 3%. The calculations are in the guide sheet we can provide at your request. Contact; Gertrude or Cheryl at ncagpresident@gmail.com.
- Please keep an inventory list of your own submissions, and cards/shrink wraps in the gallery.
- A check will be issued when you have accumulated \$25 in sales of products.
- We are working on updating sales receipts to eliminate any confusion upon a sale.
- As funds will allow, we are researching a more convenient system that will remove sales tax from your sales price and automatically include it in the sales price at a POS system. More information to come.
