Thank you for your interest in North Coastal Art Gallery managed by the Carlsbad-Oceanside Art League (COAL).

Everything can be found on our website under "For Members." There you can join the gallery and pay through PayPal. On the website you will see a welcome letter, and other information you will need to know. For more information, please review our website including wiring instructions for hanging your art.

We have a new show every month and a calendar of our monthly shows is on the website. Entry for a monthly show is available online and the deadline is normally the Friday at noon before Take-in, the day you bring your art to the gallery. Take-in is normally the first Monday of the month. Members, who volunteer for Take-in, will help guide you through the process.

When becoming a member, you are obligated to host the gallery one time per month for three hours. The first time you enter a monthly show, you will be able to pick a host day and sign up for training on hosting the gallery. After that you will be able to pick your host day online.

Once you have entered a show, you can submit cards and shrink wraps (unframed art) for sale. Information can be found on the website.

Art is judged each month and 1st, 2nd, 3rd, and HM ribbons are awarded. We do offer annual cash award shows each year for the Abstract Show, Member's Show, Open Show and Nov/Dec Small Image Show.

The monthly judge also offers an art demonstration that is held on Thursday following Take-in from 1:30 to 3:30 at the Pine Street Community Center. This is free and open to the general public in coordination with the City of Carlsbad.

All art is for sale and includes tax, and when your art sells, payment is approximately on the 15th of the following month. Payment will be minus tax, 3% credit card fee, if used, and 20% commission to the gallery.

Register your car as directed on the website. Parking is limited to 3 hours, and registering your car will make you exempt from getting a ticket, if you go over the three-hour limit. You will learn more about parking during training.

There is a reception each month. Hope you can make the reception, it is a great time to see the newly hung show, have a glass of wine, and meet other members/artists.
