JAN 4: Denise Cerro, *Mixed Media*

As a mixed media artist based in Encinitas, I specialize in creating unique, one-of-a-kind pieces that blend various materials and techniques.

Layers, layers and layers in your mixed media, or lots of bits and pieces in your assemblage art... you chose. Building the history in a painting or piece of assemblage art, and enjoying creative time is what memories are made of... it's what makes life intriguing and draws the viewer in. *(Supply list in on our (Programs tab @ Demos)*

All levels welcome. Stop in and join us!
