**MAR 7, 2024**

**Fernando Micheli, Oil**

Painting the immediacy of Plein Air painting, one not only needs to capture the feeling of the subject, and the essence of light and color as it bounces, reflecting on the physical world, which requires honing and learning new skills in order to build a vocabulary that can capture the emotional essence of nature. **APR 4, 2024**

**Kate Joiner, Painter, Multimedia**

Kate uses loose brushwork and color palette as a representation of her surroundings. As a painter and multimedia artist, she often explores how the human persona connects with our California landscape, and creates a message of intrigue that can be conveyed within each one. **NOTE:** This class is moved to CB Senior Ctr., 799 Pine Ave., Carlsbad 92008.

**MAY 9, 2024 Jayne Spencer, Watercolor**

Jayne has been painting for more than 30 years and exhibiting throughout Southern California. Her father's paintings and her graphic design degree strongly influence her work, which focuses on bold lines, shapes, and color. Well-known for her representational works, and more recently for her abstracts and portraits. Info: [www.jaynespencer.com](http://www.jaynespencer.com)
