

OUR PRIMARY MISSION

To let the world know that art is reachable to everyone irrespective of their artistic or creative experience, or background, and provide accessible platforms, resources, and opportunities for artists to create, exhibit, and share their work.

"We encourage artistic growth"

ART FOR OUR COMMUNITY

As our social responsibility, we actively engage in and promote the art for community activities, and the individual artist.

We offer an art experience to make sure that everyone - despite their ages, backgrounds, skills, etc. - has access to high-grade arts learning and knowledge, and get to share in the experience to explore with us all that art has to offer,
